

Dear Parent

Thank you for showing an interest in enrolling your child at Fourways High School. We hope that we will be able to assist you and that this will be the beginning of a long and mutually rewarding relationship.

As Fourways High School is one of the leading schools in the northern suburbs, we recommend that once the Admissions open, you collect and return the completed forms, together with all the necessary documentation as soon as possible so as to avoid disappointment. ***We work on a first come first serve basis for those pupils who live in our feeder area.***

Upon receipt of notification that there is place available at Fourways High School we will be asking you for your first payment of approx R1600-00 towards the 2011 school fees. This will serve as an indication of your accepting the space for your child.
