Born To Perform SHINE!

Born To Perform SHINE! was founded in 2015 by Gemma Marinus Donnelly and Matthew Marinus who operate the Stageworx Performing Arts School. The show is designed as a platform to give young performers opportunities and experiences in the arts, whilst allowing self-development and personal growth through their love and passion for music. It is an explosion of South Africa's most exciting young talent. The concept is to create a platform of transformation in the lives of young people who express themselves through the arts, and connect the youth and aspiring performers of South Africa with industry leaders.

Fourways High School has been fortunate enough to be involved with Born To Perform SHINE! 2019. We have been privileged to perform the SA Medley arranged by Bryan Schimmel which includes Adam Young, Brooklyn Miles, Connor Nery, Jamie Nell, Jemimah Pritchard, Jessie Greenberg, Micah Stojakovic, Nigel Chikwanha, Talicia Mariti, Teagan McGinley, Abraham Thiao, Ayabulela Mzozoyana, Jack Walther, Nini Makobe, Rirhandzu Mashele, Skylar Casal-Galego, S'Lungile Ngubane, Iain Webb, Aimée Muha, Emma Agar, Mogobe Aphane, Wezi Phiri, Erin - Leigh Rose, Gabrielle Jackson and Bulelo Landman.

We also have 6 of our Sound and Lighting pupils involved backstage and with technical, these include: Dylan Colyn, Tristan Freeman, Malaika Muleya, Daivik Tulsee, Cameron Neilson, Sherrick Reddy and William Kydan Hogg.

Special mention must be made of Micah Stojakovic, Jamie Nell, Brooklyn Miles, Adam Young, Connor Nery, Bulelo Landman and Nigel Chikwanha, who have been included in various slots throughout the show and who made us incredibly proud over the last three months.

It has been an incredible experience for the pupils and the staff involved. We have all learnt a lot and grown as individuals as well as a production team. We would just like to take this opportunity to thank everyone involved especially Gemma Marinus Donnelly, Matthew Marinus, Bryan Schimmel and the staff and crew from Stageworx. You have embraced us and included us in something magical.

Born To Perform SHINE! is not only a show, but a movement to transform the lives of young people and make a difference through the love of performing arts.

Please note that the AGM and REPORT COLLECTION will be taking place in the hall on Thursday 19 September 2019. REPORT COLLECTION will be from 18h00. The AGM starts at 19h00. All parents are urged to attend.
On the 1 September, the newly elected Fourways Senior Council departed for the 2019 Councilor Camp. With excitement running high, we bussed to Parnassus farm, located on the banks of Magalies river, surrounded by the beautiful scenery of the Witswatersberg mountains.

We participated in a number of team-building activities including building human pyramids, surviving obstacle courses, raft building in sub-zero-temperature water and escaping an escape room! We led each other blindfolded in the dark and we even carried a fellow councilor on a night hike up and down a mountain – he was on crutches and we don’t leave our team mates behind! We braai’ed marshmallows around the bonfire, met some not-so-friendly baboons and we laughed a lot!

The purpose of the leadership camp was to build school spirit, create a culture of personal leadership and to develop leadership skills in order to serve the student body to the best of our abilities. We returned on the 4 September with exciting and innovative ideas to improve the spirit of the student body and with a readiness to serve the school.

A massive THANK YOU to Mrs Borrill-Fombe, Mr Clayton, Mr Neilson, Mrs Dros and Ms Badham for their time, preparation, planning, insight, wisdom and sense of humour on the camp. It was a few days (away from the hustle and bustle of school life) that we will remember for a long time.

WATER POLO

A handful of Fourways High School water polo players attended a 3 day training session with Maggie Steffens from the USA ladies Water Polo Team.

Maggie is the captain of the USA team and a double gold medallist at the Olympic Games.

International training, tips and tricks were discussed with the pupils.

Our congratulations to Grade 9 pupil Ronan Fisher who received the top 6 all star award at this training camp.

Congratulations to the senior cricket lads and coach Mr Ditle on a good 5 wicket win over Crawford Sandton on September 11 2019.

The Fourways High School 2020 first team netball squad volunteered to help out at **Paws R Us** in Midrand on September 7, 2019.

The girls tried their best to walk as many of the 230 adoptable dogs from 10:00-14h00.

Our school driver Mr Godfrey Rametsi took some time walking dog after dog in support of this good cause.

**KLM turns 100**

In celebration of KLM’s 100th birthday, they aimed to break the world record for the most paper planes flown at a single time. These were no ordinary planes as they were made of recycled paper printed with letters from South Africans with their hopes, dreams and aspirations for the future. After their record attempt, the planes will be used as compost during the planting of the KLM 100 forest, growing food for our communities for years to come.

Fourways High School was privileged to host the final event which took place on the 13th of September 2019.

Fifteen schools took part across Gauteng and 15,300 planes were thrown at 8:15am.

Our sincere thanks to KLM and 947 for including us in breaking the world record.

Grade 11 pupil **Matthew Karam** scored 72 runs off 51 balls including 9 x 4s and 4 x 6s for the senior cricket team against Crawford Sandton (11 September 2019).**
